## Full author biography

Nycole V. is a Virginia-based fiction author who has been creating stories for as long as she can remember. What began as a childhood love of imagination and storytelling eventually grew into a passion for exploring the complexities of human relationships, the secrets people keep, and the consequences of the choices they make.

Drawn to suspense, unexpected twists, and emotionally layered characters, Nycole writes stories that explore love, loyalty, betrayal, and the thin line between truth and deception. Her upcoming debut novel, The Life He Thought He Buried, brings those themes together in a story where the past refuses to remain silent.

Beyond the pages, Nycole is a mother who believes that dreams don’t come with expiration dates. Her journey into publishing reflects a lifelong love of storytelling and the determination to bring the characters and worlds she’s imagined to life.
